

The Sport-a-Pack is made to integrate with our S'port-Backer support (sold separately). The S'port-Backer slides easily into the sleeve of the S'port-a-Pack so the combo-pack can be used as illustrated.

1 Turn belt pack to your stomach and unzip both side pockets and bottom zipper.

2 Remove straps & seat pad from storage and slide pack to the back.

From Pack to Back in 3 Easy Steps

3 Sit on pad, place straps over knees and adjust to your comfort. Now you can sit with support 1) cross-legged, 2) with knees up or, 3) on backless stools or benches.
